BACK-TO-SCHOOL SMILES

BAKER ORTHODONTICS is pleased to announce our second office location in South Sarasota, near Siesta Key! With two offices now anchoring north and south Sarasota, we are able to conveniently serve the tri-county area. Now that it is Back to School time, our two locations are particularly convenient for patients who may live and go to school in different areas of the community. We can see patients at one office during the school year and the other office during the summer! Working together, we can achieve a true partnership, with one common goal of obtaining a beautiful and confident smile. As a family owned and operated business, we look forward to welcoming you to our family!
