

BACK TO SCHOOL

ROUNDTABLE

“Back to school” means so much more than just dropping your kids off for another day of learning. A host of other organizations provide essential tools for children during their school year, from after-school activities to programs that keep them learning outside the classroom. Ranging from art and theater classes to birthday party venues, these local establishments create new opportunities for your children to engage in positive experiences right in our own backyard.

CHRISTIAN SCHOOL
Igniting Minds. Infusing Faith.

Christ Centered. College Bound.

At SCS, a Christ-centered education opens a world of opportunities for students to discover that place where their gifts, talents and God's path for their lives come together to illuminate their future. Advanced academics begin in Elementary School and continue through High School where our Accelerated College Education (ACE)* Program provides Honors, AP, and College Dual-Enrollment courses in a nurturing, Christian environment. An outstanding College Counseling program also helps students prepare to fulfill their God given abilities, both in college and in life.

Siesta Key's Premier Early Childhood Center

Did you know ...

- St. Boniface Preschool has been a part of the Siesta Key community for over 30 years.
- We are now accepting children ages 1-5 years old.
- Our small class size ensures quality individual and group instruction for your child.
- We pride ourselves in providing an environment for children that supports their desire for learning and exploration, utilizing award winning, play based, developmentally appropriate curriculum.
- We encourage parent involvement — after all, it takes a village to raise a child.
- Our mission is to be Southwest Florida's Premier Episcopal Preschool.

BACK-TO-SCHOOL SMILES

BAKER ORTHODONTICS is pleased to announce our second office location in South Sarasota, near Siesta Key! With two offices now anchoring north and south Sarasota, we are able to conveniently serve the tri-county area. Now that it is Back to School time, our two locations are particularly convenient for patients who may live and go to school in different areas of the community. We can see patients at one office during the school year and the other office during the summer! Working together, we can achieve a true partnership, with one common goal of obtaining a beautiful and confident smile. As a family owned and operated business, we look forward to welcoming you to our family!
