

CELEBRATE OUR VETERANS

COOL TODAY

WE SALUTE Cool Today, Plumbing Today and Energy Today supports all our Veterans and we feel most honored to work side by side with this team of Veterans pictured here. We are so grateful for the service they gave to this country and we are proud to have them on our team now servicing our clients. We want to thank all of the Veterans who served our country and our Heroes who continue to fight for our freedom today. Thank you to the families who support them here at home. We cannot thank you enough.

"MY VIEW OF THOSE WHO SERVE OUR COUNTRY IN UNIFORM WAS SHAPED BY MY DAD, MY UNCLES (KOREA AND WWII D-DAY VETS), AND MY NEPHEW CURRENTLY SERVING AS A NAVY COMMANDER. THEY SACRIFICED THEIR PRIVATE CAREERS TO SERVE OUR GREAT NATION, AND WHEN THEIR SERVICE IS DONE, WHY SHOULDN'T WE, AS GOOD CORPORATE CITIZENS, EXTEND A HAND UP IN ESTABLISHING A GREAT CAREER OPPORTUNITY TO PROVIDE FOR THEIR FAMILIES?"

- Jaime DiDomenico, Owner

Cool, Plumbing & Energy Today are experts when it comes to taking care of people. We stand out from the competition, not because of our bright green trucks but because we care about the relationships we have with our team, our customers, and our community. Since 1963 we've been air conditioning Sarasota, all the while building lifelong relationships. This is what drives us to give the best every day. Whether it's creating a cool & comfortable environment, ensuring your home's water is clean and flowing correctly or providing the right choices when it comes to energy in your home — we work to provide the very best to our customers and their families.

WE SALUTE
FEMALE VETERANS UNITE

There are many organizations whereby women come together as a group, to accomplish a mission, and Female Veterans Unite is really no different in that respect. Seven years ago, in 2010, the Sarasota County Veterans Commission bestowed the honor of "Female Veteran of the Year" to Georgie Alfano-Cronk, (a United States Army Veteran). But Georgie noticed that many of the needs of our Women Warriors were going unmet and that bothered her. So with the assistance of a very dynamic group of strong women veterans; they gathered together and brainstormed exactly what they could do to not only improve their own lives, but the lives of their fellow "battle buddies". And in 2014, Female Veterans Unite was birthed and so was the "first FREE annual retreat" for female veterans. And since then, approximately 25 women warriors continue to gather together, during the month of September, at Day Spring Episcopal Center in Parrish, for some in-depth introspection, team building activities, lots of laughter, and many tears. The women veterans follow a schedule determined by the retreat facilitators that include group sessions on traumatic brain injury (TBI), military sexual trauma (MST), post traumatic stress (PTS), navigating the VA system, coping mechanisms, domestic violence, and any other topic that is a concern to women veterans. "No topic is taboo at our retreats because if we do not talk about a concern now, it will continue to fester inside of us and it will usually surface at a most inopportune time" says Georgie. And there is nothing more healing for us than to talk about topics that we have either been exposed to during our enlistment time or that we have personally experienced ourselves. If you would like more information about our 501, c, 3, corporation, please go to our website at femaleveteransunite.com and also like us on Facebook at Female Veterans Unite. And, God Bless America.

"NOTOPICIS TABOOAT OUR RETREATS BECAUSE IF WE DO NOT TALKABOUT A CONCERN NOW, IT WILL CONTINUE TO FESTER INSIDE OF US AND IT WILL USUALLY SURFACE AT A MOST INOPPORTUNE TIME. AND THERE IS NOTHING MORE HEALING FOR US THAN TO TALK ABOUT TOPICS THAT WE HAVE EITHER BEEN EXPOSED TO DURING OUR ENLISTMENT TIME OR THAT WE HAVE PERSONALLY EXPERIENCED OURSELVES.
