*The Crowley Museum & Nature Center and
The Deep Sky Observers Club
Present the 10th Annual*

Starry Nite

Saturday, March 13, 2010

The evening is rustic elegant, the dress is casual, and is celebrated outdoors in a beautiful tent with twinkling lights. Enjoy a New Orleans inspired dinner created by Mattison's, dance to the music of the Venturas, and end the evening with our now famous celestial viewing hosted by the Deep Sky Observers. We will host a silent auction and a live auction with Bob Harrigan of WWSB ABC 7. Here is your opportunity to attend one of the area's most unique fundraising events!

Reserve your tickets today!
