Goodwill Manasota

2705 51ST AVENUE EAST, BRADENTON | 941-355-2721
EXPERIENCEGOODWILL.ORG/LET'SGOPLACES
FOUNDATION@GIMI.ORG

Mission Goodwill Manasota and ITN SunCoast have partnered together to promote their campaign "Be the One-Let's Go Places." The mission of the campaign is to combine resources to help seniors or individuals with a disability, restricted, or isolated because of transportation - have the ability to be engaged and connected in the community. Too often we find that people who have transportation challenges lose connection to each other, the community and activities that give them joy or purpose - resulting in physical, mental and emotional health declines. "Be the One - Let's Go Places" reconnects individuals with low-cost transportation to community activities, like the free educational, cultural or fun programs Goodwill provides through their Good Neighbor Community Rooms. Gaining the freedom to volunteer or work again, bolsters a person's dignity, self-respect and feeling of being valued by others. Individuals can also get out to enjoy the myriad of arts and cultural opportunities in our community, adult learning classes or a shopping day at a Goodwill store. Staying engaged and connected is an important part of staying healthy!

Wish List

Scholarships for low-income individuals to participate in the program.

Support for recruiting volunteer drivers.

Support to create social and educational programs.

Support for computer classes for seniors.

Support for job-skilled training for older-workers going back to work.
